

To Kairos Supporters

FEBRUARY 2014 NEWSLETTER

Thank you for your continued support, particularly through prayer at this time.

This newsletter updates you on the latest reunion meeting and gives you details about Kairos #4; the dates, and the training days. **NOW IS THE TIME TO ASK THE LORD HOW HE WANTS YOU TO BE INVOLVED FOR THIS OCTOBER'S EVENT.**

On Tuesday 18th February nine of the Kairos team arrived at Whitemoor for the next reunion.

On previous occasions, we have known God's grace as we have sought to comply with the essential security arrangements with respect to going in to meet with the graduates. This time there were particular difficulties with respect to the administration and an incident that was going on in the prison. Normally we go in at 12.30pm but this was not possible. It wasn't clear that we would be able to go in at all. Yet when we returned at 2pm after prayer and drinks at Tesco's we were delighted to be able to go in.

Graduates from Kairos #1 and #2 were not able to be with us this time. Also, several of the Kairos #3 graduates were unable to make it, possibly because of the incident.

Yet we had a great time with the 8 who were able to meet with us, even though it was for a shorter time than usual. A couple of them took responsibility for choosing the worship songs and another led us unaccompanied in another song. In the 'prayer and share' time we were able to be one to one and it was a joy seeing the interaction of each of the graduates with the team member they chose to be with. After the three talks by team members we were moved by the graduates' comments; a couple of them quoting scripture from memory in support of their comments.

We asked the graduates to offer via the chaplaincy to lead the next reunion, to be responsible for the worship times, to do 2 short talks and to lead a time of prayer. Do pray that they will come forward to do this.

Some of the graduates are experiencing spiritual opposition so please continue to pray that they may continue to stand firm.

It is sad for the team when we hear that some of our Kairos graduate friends will be moving to another prison. A couple are likely to move soon so please pray that God will meet their needs of good fellowship and they will be bold for Jesus where ever they go.
